#Hiring2DayVT

Walker Construction **is an Employee owned Company (ESOP) operating in Stowe, VT. We provide concrete and excavation services to the surrounding area for homeowners, and general contractors, in both residential and commercial/municipal sectors. The company has been in operation since 1972, and has a reputation for doing quality work in a timely manner. As the construction industry has continued to grow in our area, so have we, and now have the need to hire to continue to provide service our customers.**

Website: www.walkerconst.net

We have positions open for Excavation/Concrete Laborers, Concrete Finishers and a Excavation Foremen.
