

# Notice to Vermont UI Claimants

Notice:

The Vermont Department of Labor has been made aware of notifications being received by individuals via text message regarding Vermont unemployment benefits.

Please be advised that the Vermont Department of Labor does not communicate unemployment information via text message at this time.

If you receive text messages regarding your UI claim in Vermont, the message is not from the Vermont Department of Labor.

For additional information contact UI Claimant Assistance at 877-214-3332.
