

FUTA - 940C Certification

FUTA is the Federal unemployment tax, employers pay to the IRS. These dollars go to pay for the cost of administering the state programs.

Annually the Department and the IRS conduct a cross match to ensure employers are paying both taxes.

A 940C is a manual certification an employer can request from the Department if the annual cross match results in a discrepancy.

To obtain a 940C certification please contact the Employer Services Unit at 802-828-4344 or you may fax your requests to 802-828-4248.
