## THIS MONTH'S FEATURE: The Workforce Innovation & Opportunity Act - Training For Your Career

The Workforce Innovation and Opportunity Act (WIOA) is an employment and training program funded by the U.S. Department of Labor available at your local Career Resource Center. WIOA helps eligible individuals access the short-term training they need to be successful in a growing career field.

*Types of training available through WIOA for eligible participants can include:*

**Work Experience** - An opportunity to “try out” a job through a short-term Vermont Department of Labor-supported work experience at a local business.

**Occupational Skills Training** - This short-term training is conducted in a classroom setting, designed to help you gain the occupational skills needed to perform a specific job and meet the technical needs of the workplace. This training is available through partnerships with many area schools and usually includes a certificate upon successful completion.

**On-the-Job Training** - An OJT can help you acquire the knowledge and skills needed to be successful at a specific job. Participants are hired by an employer and the Vermont Department of Labor may reimburse the employer for a portion of the training costs.

**Interested in participating in WIOA or learning more?**

Attend our WIOA Orientation, held every first and third Wednesdays at 2:00 pm at the Brattleboro Career Resource Center. This month the orientations will be held on **Wednesday, November 2nd and Wednesday, November 16th**.
