

Vermont's Earned Sick Time Act

Notice of Employee Rights

HOW IS SICK TIME EARNED?

An employee will earn one hour of earned sick time for every 52 hours of actual work, including overtime. An employee will be entitled to use up to 24 hours of earned sick time annually in 2017 and 2018, and up to 40 hours in 2019 and subsequent years.

HOW CAN SICK TIME BE USED?

An employee can use sick time when the employee or employee's child, parent, grandparent, spouse, or parent-in-law is sick or injured. This includes helping a family member obtain health care or travel to an appointment related to his or her long-term care, or to address the effects of domestic violence, sexual assault or stalking. An employee may use earned sick time to care for a family member because the school or business where the family member is located is closed for public health or safety reasons.
