

Join our team as a CNC Machine Operator

Apply online at: www.hypertherm.jobs

No experience, no problem as no prior experience is required!

Opportunities for 2nd and 3rd shifts

We hire all of our Machine Operators through completion of a 9-week fundamentals program at our Hypertherm Technical Training Institute. Graduates earn a certificate and credits towards an Associates Degree.

During the program you will earn \$14.30/hour (2nd shift base, plus differential) to \$14.95/hour (3rd shift base, plus differential) plus benefits with an increase to base pay after successful program completion.

Competitive benefits

- Profit sharing program
- Employee Stock Ownership (ESOP)
- Stable, growing organization with a strong no-layoff philosophy
- Non-union, safe, friendly environment
- Competitive medical/dental insurance
- 100% tuition reimbursement
- Gym facilities open 24/7 with free fitness classes
- In-house cafeterias
- Community Service Time, 32 hours/year

The key reason for our success is our Associates. We are 100% Associate-Owned and it is our Associates who are constantly working to make our products better than any other. Our Associates have made Hypertherm the company it is today.
