

DARN TOUGH VERMONT Socks

ABOUT

Darn Tough Vermont® is an American manufacturer of premium, all weather outdoor and lifestyle socks, all of which carry the industry's original unconditional lifetime guarantee. Our product is distinguished from industry competitors by 100 percent USA manufacturing, exceptional comfort, durability and fit. Headquartered in Northfield, Vermont, and a location in Waterbury, Vermont, our mission is to be the leader in the branded, premium performance sock market. Our strong family-orientation coupled with our core values of being tough, independent and respectful, while being authentic make us a great place to work. We promote openness, honesty, and respect through teamwork and effective leadership. We provide all of the necessary training, tools, and support to ensure we embody a proud, productive workforce committed to continuous improvement. We have yet to produce our best sock!
