

Founded in 1987 by brothers Doug and John Casella, Casella Construction has grown to be one of the largest civil and heavy highway contractors in New England. Still a family-owned company today, Joseph Casella and John Casella II now lead our team of nearly two hundred multi-disciplinary employees.

We offer expertise in Heavy Highway, Demolition, Transportation, Utility Installation, Environmental Contracting, and Commercial Site Development

We pride ourselves on being at the forefront of technology and environmental stewardship. We complete challenging projects at a competitive price while exceeding current environmental standards.

We are recent recipients of two Best Builder Awards in the Heavy Industrial Aviation and Environmental categories from the Associated General Contractors, thanks to our employees' professionalism and commitment to quality and safety.

We believe the key to our continued success is our ability to build, develop, and recognize the best employees in the industry. We value hard work, loyalty, and commitment. Learn about how we dig deep for our customers, our employees, and our community at www.casellainc.com.

Wages based on skills and experience. Casella Construction offers full-time employees benefits including health, dental, vision, short & long term disability supplemental insurance and 401K with company match.
