

# THE KILLINGTON GROUP

## ABOUT

With over 35 years on Killington Mountain The Killington Group has build an excellent reputation for reliable and profitable management and Killington vacation rental property services. We are proud of the relationships we have built with many of Killington's condo associations, homeowners associations, and individual home owners in search of on-site property management.

The Killington Group has been a part of the Killington landscape since 1973. We are a fun loving, high energy team, offering competitive compensation.
