

#Hiring2DayVT

Walker Construction is an Employee owned Company (ESOP) operating in Stowe, VT. We provide concrete and excavation services to the surrounding area for homeowners, and general contractors, in both residential and commercial/municipal sectors. The company has been in operation since 1972, and has a reputation for doing quality work in a timely manner. As the construction industry has continued to grow in our area, so have we, and now have the need to hire to continue to provide service our customers.

Website: www.walkerconst.net

We have positions open for Excavation/Concrete Laborers, Excavation Foremen, Small Engine Mechanic, and Excavator Operator.
