

Quality, Affordable Self-Care Products

ABOUT

Perrigo Company plc is a global company who manufactures branded and private label self-care products that are available at retailers, pharmacies, and e-commerce outlets in the United States, across Europe, and in other major markets. Consumers want safe and effective products that support their health and well-being.

Perrigo Nutritionals located in Georgia, Vermont, manufactures infant formula for the global marketplace and is an ISO 9001 certified facility. Perrigo distributes Store Brand infant and pediatric nutritional products to over 30,000 retail outlets in the U.S., Canada and on-line. Perrigo employs over 430 people and is looking for motivated individuals to join their team today!
