

# REVISION MILITARY

## ABOUT US

### RELENTLESS DEDICATION TO PROTECT YOUR VISION

Revision is a solution provider specializing in ballistic and laser protective eyewear. We utilize robust design and development expertise and experience combined with significant investment in efficient high-volume manufacturing and vertical integration to drive a fundamental and powerful objective: delivering protective eyewear solutions that save lives.

We ensure that only truly best-in-class products make it to the battlefield, drawing on a wealth of expertise in lean manufacturing, quality assurance, and process automation – and some of the brightest minds in the fields of injection molding and optical coating systems.
