## ABOUT

### Our Vision

Tender Loving Homecare, Inc.. is dedicated to serving individuals and their families, with integrity, reliability, and respect, while providing exceptional customer service and utilizing values we have mastered over our vast years of professional experience. We believe home is where the heart is, and our clients and their families deserve to have peace of mind as well as quality non-medical homecare services, their way, in their home.

### Our Mission

Our goal is to promote our clients to their highest level of independence and mobility and become the innovative forerunners in our community's choice for short term and/or long-term care.

We collaborate with a client's family, physicians, discharge planners, social workers, hospice, and area visiting nursing agencies, to bring a culture of caring that is cost effective and accessible in order to meet our client's individual home care needs.

We strive to employ skilled professionals who provide compassionate, non-medical homecare that exceeds expectations, while fostering the wellbeing of the people we serve.

When offering our clients and their loved one's assistance with hospice, we endeavor to excel in providing comfort, compassion, and dignity during end-of life care.

From 24/7 -in-home care, respite care, Alzheimer's, dementia, diabetic care, cancer and cardiac care to personal care, medication management, homemaker services and even pet care.
