Subject: Unemployment Insurance Weekly Update

This report includes both new and continuing efforts. New information is in RED.

Lost Wage Assistance Program (LWA)

- The State's application for the LWA was submitted and approved by FEMA and we have begun to implement the additional \$300 benefit. The total grant award as \$35.8 million which will likely pay out benefits to eligible claimants up to three weeks.
- Claimants have begun to self-attest to their reason for unemployment since implementation of the additional COVID certification page on the Online Claimant Portal. In the next day or so, claimants will begin to attest for the back weeks ending August 1st, 8th, 15th and 22nd. Going forward, claimants will be asked to attest for every future week of filing. Once the attestations are collected, eligible claimants will begin to receive the supplemental \$300 benefit checks for each week. We anticipate this benefit will begin to be issued to claimants next week.
- We have begun to complete a second application to FEMA for an additional round of funding which could extend the LWA program for three more weeks.

Federal Pandemic Unemployment Compensation

- No new updates are available at this time. Congress remains at an impasse.

Unemployment Extended Benefits

- The Department has implemented the high Extended Benefits program which will provide an additional 20 weeks of benefits to eligible UI claimants, but only after regular UI and PEUC benefits are exhausted.

Claim Issues

- Claimants that contact the Claimant Assistance Center with an issue that cannot be resolved within 24-hours will be moved to the Inquiry Tool and a specialist will be assigned to their case for expedited resolution. The Claimant Assistance Center can be reached at 877-214-3332.

UI Fraud

- Individuals who believe a fraudulent claim has been filed using their personal information should notify the Department of Labor at 802-828-4101. This line is exclusively for fraud reports. More information about fraud and the ability to submit online reports is available at: <https://labor.vermont.gov/ui-fraud>.

Claims Adjudications and Appeals

- Our team of factfinders has launched successfully. This effort is designed to expedite the adjudications process by increasing the speed in which claim determinations can be made. Additionally, the Department has hired more staff in both the adjudications and appeals units to accelerate the processing of contested claims.

Reimbursable Employer Charge Relief

- The Department has begun to reimburse employers who are classified as 'Reimbursable,' and who had already paid the full contribution amount for the second quarter filing.
