

ABOUT

Alderman's Toyota is a growing family owned new and used car dealership, with an excellent reputation throughout Central & Southern Vermont and beyond. We are a 17 time consecutive winner of the Toyota President's Award.

Our busy service department has immediate openings for experienced automotive service technicians and tire/lube technicians. Work/life balance is more important than ever, so our Monday through Friday schedule with one Saturday per month is difficult to beat. Alderman's Toyota also offers medical and dental coverage, paid vacation, paid holidays, and a retirement package. If you'd like to join a winning team, please contact us right away. That's the Alderman difference.
