

ABOUT

At JaniTech, our approach to customer service is what makes us the cleaning service provider of choice. We know not all businesses and offices are the same. We take the time to learn your unique requirements and to develop a cleaning service plan that delivers the best value. We stay current with cleaning industry trends and ensure that your facility is cleaned and maintained in a healthy and environmentally friendly way.

Consider joining our JaniTech team! We provide green cleaning services to some of the coolest businesses in Vermont. You pick part or full time hours and the positions are permanent. If being around people is stressful, this job won't be! At JaniTech you are independent, enjoy a custom schedule, and get paid weekly.
