

ETHAN ALLEN

ABOUT

Ethan Allen has been a leader in the luxury home furnishings and interior design business for more than eighty years. We are a global style authority, spanning twelve countries on three continents. We built our company on a vertically integrated business model that has stood the test of time. We believe our associates are our greatest assets, and that talent, drive, and customer focus should be rewarded. If you are looking for longevity then Ethan Allen is the place for you.
