

SIMON PEARCE

ABOUT

Simon Pearce, a leader in the design and manufacture of handcrafted glass and pottery, has exciting opportunities for seasonal, part-time, and full-time employment throughout Vermont.

In the age of bigger, better, faster, Simon Pearce believes simplicity, quality, and artisanship are tenets of a better way of life. From hand-thrown pottery to lead-free crystal glassware made with custom molds and purpose-built furnaces, each handcrafted piece carries a story that lends meaning, authenticity, and grace to every use.

WHY SIMON PEARCE?

- Be a part of a brand that celebrates handcrafted excellence, heritage craftsmanship, and extraordinary design in glass and pottery.
- Be inspired with our [videos](#) celebrating who we are.
- All associates are eligible to enjoy paid time off. Benefit-eligible associates are offered medical, dental, vision, 401K with a company match, and more!
- Employees also receive a 50% savings on all pottery and glass made by the company, as well as 50% off menu items at our restaurant in Quechee, Vermont!
