

Dorr Oil and Propane

ABOUT

For more than 20 years, Dorr Oil has been keeping thousands of homes in the greater Manchester area warm and comfortable.

Over the years, we've expanded our business to include propane delivery as well as delivery of heating oil and kerosene because more people want propane for cooking, water heating and more.

If you want to work for an established local business where you'll have opportunities for career growth and enhancement, take a look at Dorr Oil & Propane!

We offer competitive pay and benefits, and a great work environment.
