

# CARPENTER AND COSTIN

**Carpenter & Costin**  
Landscape Design, Construction & Maintenance

## ABOUT

Carpenter & Costin was established in Vermont in 2005 and remains locally owned by Russ Marsan and Matt Cataldo, who take a personal interest in every client's property needs. Our team specializes in enhancing outdoor living spaces and commercial landscape design and maintenance with a full range of year-round landscape management services. We'll take care of everything from Spring and Fall clean-ups, to lawn mowing with seasonal planting and maintenance programs, as well as complete snow plowing and snow removal services.
