

The Farmhouse Group

ABOUT

My-oh-my what a journey. May 2010 we turned a run down Micky D's into our flagship joint The Farmhouse Tap & Grill. Seven restaurants and 200 employees later, we are now The Farmhouse Group. We take great pride in the partnerships that we have developed along the way with farmers, food producers, beverage makers, and the blessed cheesemakers too. We are psyched to have you as our guest. Cheers.
