Island Custom Homes LLC.

Mark Cobb, Owner

ABOUT

Island Custom Homes, LLC. is a small construction company that is extremely busy. We build approximately 4 or 5 custom homes a year and also have many large remodeling jobs during the year. We have been in the construction industry for over 30 years and are well established in the Champlain Islands. Island Custom Homes, LLC recognizes the importance of energy efficiency and builds every home with that in mind, consequently, every single home we construct is a unique home for the clients we build for.
