

Pike Industries

ABOUT

Established in 1872, Pike Industries is a leading highway contractor, as well as the largest producer of hot mix asphalt and construction aggregates in New England. The Company has doubled in size in the last ten years and currently employs over 800 people throughout Maine, New Hampshire and Vermont.

It is the dedication, knowledge, and quality workmanship of our employees that makes Pike Industries such a great company.

Pike Industries, Inc. offers positions in a variety of areas. Because Pike Industries is affiliated with CRH Americas Materials, the largest manufacturer of building products and materials in the United States, career growth here is fostered from day one. We believe in recruiting the very best talent.
