About Maplebrook Farm:

Maplebrook Farm produces handmade artisanal cheeses in the Green Mountains of Vermont. Now offering over twelve cheeses, Maplebrook Farm uses old world cheesemaking techniques to produce fresh quality products, with remarkable flavor and texture. rBGH & rBST-free, 100% Vermont Milk provides a distinguishable quality and unparalleled flavor.

Employment Opportunities:

Cheese Maker

Production Team Member

Maplebrook Farm, a fast growing, award winning artisan cheese company, is looking to hire and train individuals to become **Cheese Makers** and **Production Team members**. Candidates should be mature, responsible, respectful, self-motivated, and willing to learn - and to have a little fun too! Work schedules are Monday through Friday with good opportunities for overtime during the busy summer season when some weekend work is mandatory.
