

## THE CLEANING CREW

### ABOUT

Good housekeeping services are hard to find so we started our own over 20 years ago. We've built our reputation and take great pride in providing home cleaning services to second homeowners that place a high value on their property being spotless inside and out, whether for their own use or for the enjoyment of vacation rental guests.

The Cleaning Crew has been a part of the Killington landscape since 2003. We are a fun loving, high energy team, offering competitive compensation.
